//
We tailor our products to fit your requirements
//

//Who we are

We at Experts' Choice are a global team consisting of Engineers, Designers, Tailors and manufacturers based in several parts of the world in order to deliver products of different styles, qualities and origins for different clients.

We work endlessly on new and upcoming designs to always have a line of products that fits every taste. Our research and innovation process works alongside with our non stop tailoring and manufacturing of products.

We are specialized in fabrics, textiles and everything that goes alongside with it.

Whether its room linen, bath linen, table top linen or uniforms. Anything that is related to hospitality linen.

We have team members that are solely specialized in it. We work with very keen attention to details and make sure our output is of the highest quality there is

Our products are mainly consist of long staple Egyptian Cotton of very high quality and durability. In order to fit all our clients' needs and budgets we also tailor high quality cotton products in India, Pakistan, Italy & China.

We also have a local tailoring unit here in the UAE for local customizations and alterations when required, Our team at Experts Choice is keen to deliver the best quality products with the clients' precise and exact requirements and needs.

Attention to detail and experienced craftsmanship is what makes our products one of a kind. Every piece of fabric leaving our production units has been made and checked with care in order for you to receive the high quality products you are used to from Experts Choice.

//Success story

Ritz Carlton Dubai

Nestled on Dubai's beachline, one of the most luxurious hotels in the city. Ritz Carlton a Marriott group hotel has trusted us with most of its linen items because of our very high quality products. Starting from the coloured napkins in every outlet up to the refurbishment of rooms sofas and chairs. We have worked with very high craftsmen ship and detail orientation in order to fulfil Ritz Carlton's very particular team their precise requirements.

F&B Linen

Napkins that fit every single outlets' style and theme have been customized for Ritz Carlton's very diverse collection of lush restaurants and lounges. We have also covered the in room dining table with high quality Egyptian Cotton royal blue linen matching the Ritz colour scheme.

Banqueting Linen

In order to accommodate the very luxurious events that take place in Ritz Carlton we have selected 3 of our best Egyptian Cotton fabrics to be used in the banqueting halls in their different colour variations to meet every event's needs.

Bath Linen

Being a beach front property with several swimming pools, spa and gym Ritz has a different customized towel for each spot in the hotel. We have designed and executed every towel with the highest quality Indian Cotton to give the guests the most comfortable and relaxing experience.

Furniture Refurbishment

Our local workshop has refurbished Ritz' rooms furniture to the highest quality in order to always maintain the fresh and brand new look of the hotel.
